

MisterBill's Masters Pool 2026 Information, Comments and Results

Well, this was quite a day. For a while it looked like we were not going to have as many entries as anticipated, but the later part of the evening saw entries coming in fast and furiously. It was tough to get all the feedbacks/confirmations done with the intermixing of entries. We even allowed a few to slip in past the deadline while we were finishing up the administrative tasks. Final count - a whopping 1007 entries, with one pending correction.

Good luck to all - enjoy the excitement and the early and long hours of golf.

ROUND ONE

Daily winner is Triple Mulligans23 @ -10.

Mister Bill says he had an entry at -10 but then they had to play the back nine. Couples and Olazabal had miraculous rounds going but faltered late (badly in Freddy's case).

ROUND TWO

Daily winners are Cuttbait 12, HOTRODS09 @ -14

Triple Mulligans with his McIlroy/Burns/Young entry continues to lead the field, an oddity for the first day leader to retain the lead.

After the missed cuts and the surprise poor performance of some favored players, the viable entries were cut to a mere 411.

ROUND THREE

Daily winner is FallonBoy23 @ -19.

Another FallonBoy entry (#24) with the combo of Young, Lowry, and Rose moved into the overall lead at -28. The Triple Mulligans entry that had led for two days fell into a tie

for third after McIlroy's shaky day.

On another note, we found an entry with the same player entered twice and ruled that entry invalid. This dropped us to 1006 entries.

ROUND FOUR

Daily winner is YetiQQ @ -16

THE CARLOS Fold10 @ 16

A bunch of excellent early rounds from several early players and several ugly rounds from the main contenders completely altered the final standings. Third round overall leader FallonBoy24 dropped completely out of the money after Lowry's fourth round 80. Overall winner CHSM08 came from 15th place to get the win. Even the CARLOS standings were completely scrambled. Low rounds by Rahm and Woodland knocked out most of the entries that seemed like the contenders. The winning Fold10 entry forged to the front when Haitong Li finished the Amen Corner with a 6 on #12 and a 10 on the par 5 13th.
