The Players Pool is off to a good start with 706 entries, a few of which may be removed if Rory McIlroy withdraws before teeing off. We are happy with the turnout for the first time using the Players Championship. Let's hope the tournament is a great one!

The tournament started with the surprise withdrawal of Fox prior to teeing off and Morikawa subsequent to teeing off. Fox entries that did not have three surviving players will be eliminated without cost. Morikawa entries will remain as valid entries for payment purposes, but have resulted in many early "missed cut" designations where the team player count was under three.

ROUND ONE

Round One was not completed at the close of the first day, leaving the Austin Smotherman group yet to finish. We are posting scores as of close of the first day and will update them as soon as the round is officially finished. A Smotherman entry currently stands tied for the daily winning entry, but things may change after all is completed. Therefore, no daily winner is yet declared. If he sinks his 15 foot birdie putt, Griffin 13 is the solo daily winner. If he two putts, the daily is a tie between Griffin 13 and Triple Mulligans 19. If three-putts or worse, Triple Mulligans 19 is the solo winner. What drama!

Round One final results have been posted. Daily winner prize is a tie between Griffin 13 and Triple Mulligans 19 @ -14.

ROUND TWO

Daily winners for Round Two are Dusty1 and Shane07, tying at -20 with identical entries.

There is a pleasantly high survivor rate, despite the loss of Morikawa, leaving us with 383 valid entries.

Overall leading the pack is mills06 @ -28.

ROUND THREE

The race for the CARLOS was scrambled when Scheffler disappointed his backers with a -5 round.

Daily winner was Robbies15 @ -17; Leading the overall race is The Dye is Cast 06 @ -31.

ROUND FOUR

What a roller coast ride! Round 4 saw the early leaders after Round Three plummet many strokes. Raiz01, the only one in the top 24 without Aberg, zoomed to the top with his combo of Schaufele, winner Young, and Fitzpatrick. Only two of the entries that ended up cashing had Aberg.

Sunday daily winners: tie between Lab08, MartySupreme07 @ -12
